All of the abovementioned material will also be presented at the meeting.

Item 7b. Appropriation of the Company's profit

The Board proposes that the Company's accumulated deficit shall be carried forward to new account, and that no dividend be paid for the financial year 2007.

Items 8-10. Election of Board members etc

Shareholders representing approximately 52 percent of the votes in the Company, submit the following draft resolution

- The Board is proposed to, until the end of the next annual general meeting, consist of five (5) ordinary members and no (0) deputies.
- Remuneration to the Board members is proposed to, for the next period of mandate, be paid with the total amount of SEK 375 000, whereof SEK 150 000 to the chairman of the Board and SEK 75 000 to each of the other members chosen by the shareholders' meeting and that are not employed by the Company. It is proposed that the auditor's fees be paid according to approved account.
- Following ordinary Board members are proposed: re-election of Jan Johansson, Robert Karlsson, Peter Geijerman, Katre Saard and Cheddi Liljeström. Further is proposed that Jan Johansson will be elected chairman of the Board.

Item 11. Decision concerning amendment of the articles of association

The Board proposes that the shareholders' meeting decide upon change of the articles of association so that the meaning of 4 § is changed from "The share capital shall consist of at the lowest SEK 9 388 749 and at the most of SEK 37 554 996 " to "The share capital shall consist of at the lowest SEK 19 000 000 and at the most of SEK 76 000 000" and that the meaning of 5 § is changed from "the number of shares shall consist of a minimum of 9 388 749 and a maximum of 37 554 996" to "the number of shares shall consist of a minimum of 19 000 000 and a maximum of 76 000 000".

Item 12. Decision on authorization for the Board to decide upon an issue of new shares

The Board proposes that the shareholders general meeting authorizes the Board to, until next annual general meeting, with or without deviation from the shareholders' preferential rights, at one or more occasions, decide upon an issue of new shares of a maximum number of 20 millions shares to be issued, meaning that the share capital in the Company will, if the maximum number of shares are issued, increase with a maximum of SEK 20 000 000, meaning a dilution of about 50,3 percent of the Company's share capital and total number of votes. This dilution has been calculated as the number of shares and votes that at most can be issued divided by the total number of shares and votes after the issue. Payment shall be possible by cash, thru contribution of assets, thru set-off or otherwise be connected with conditions. Deviation from the shareholders' preferential rights may be made to accelerate the Company's expansion and, if needed, to strengthen the Company's financial position and enable an introduction on a stock exchange of the Company's shares. The issue price shall at each occasion be determined as close to the market value as possible.

Facts about Petrosibir

Petrosibir is a Swedish company that focuses on exploration for oil and gas. The company has acquired an exploration licence in the Russian republic of Bashkiria, south-west of the Urals. The licence block measures 52 km² and is surrounded by other producing oil and gas fields. During the Soviet era, five wells were drilled in Petrosibir's licence block; hydrocarbons were discovered in four of these. Petrosibir estimates that proven and probable oil reserves (C1 and C2 according to Russian standards) within the licence area will amount to 24 million barrels.
